

PRIORITY DIRECTIONS OF COOPERATION IN SCIENTIFIC RESEARCH

- 1) Informational, communication technologies;
- 2) Green and alternative energy;
- 3) Sustainable development;
- 4) Nanomaterials and nanotechnologies;
- 5) Environmental management;
- 6) Life science;
- 7) Water treatment technologies;
- 8) Cybernetic security;
- 9) Aviation and space technologies;
- 10) “Student satellite” program.
